### SYNOPSIS

Calvin Williams is a certificate holder of Google IT Support in Networking, and Software engineering, Cyber Security, Systems Administrator and Systems Analyst which all includes hands-on-labs. He also has experience in the usage of Microsoft Office software.

I am dedicated to work, highly self-motivated, skillful, meticulous, innovative in problem solving, selfless, a team player and punctual to duty. I also can organize and adapt quickly to changing conditions and relate freely to people with different cultural background and with all walks of life. I seek to be employed where my skills and expertise would enhance the delivering of the core objectives of the organization.
